

MALDIVES GOLF ASSOCIATION

"Unity and Friendship through Golf"

Dear Golf Enthusiasts,

The Maldives Golf Association (MGA) was founded on 24th July 2024 by passionate golf lovers, spearheaded by Mr. Hussain Afeef and Mr. Ahmed Nazeer, with the vision of promoting and growing the game of golf across the Maldives. Since our inception, we have been committed to building a vibrant golfing community through tournaments and international collaborations.

It is with great excitement that I announce the second edition of our flagship event — "MALDIVES OPEN 2026"! Following the resounding success of last year's inaugural tournament at the same stunning venue, which saw an enthusiastic turnout of 28 participants enjoying competitive play, camaraderie, and memorable moments amid breathtaking scenery, we are delighted to return to this exceptional location.

The proposed dates for Maldives Open 2026 are as follows:

5 May 2026 – Practice Day

6–7 May 2026 – Main tournament days (Playing format to be announced later)

Gala Dinner and Award Ceremony – Evening of 7 May 2026, featuring live music, a band, and celebration of the winners

The tournament will once again take place at the Victoria Golf Resort, Rajawella, Sri Lanka. This venue provided an unforgettable experience last year and promises to do so again in 2026.

We warmly invite all golf enthusiasts — from seasoned players to those looking to enjoy a friendly yet competitive round — to join us. Your participation not only fuels our mission to advance golf in the Maldives but also strengthens the bonds within our growing community.

I have attached a detailed fact sheet that provides comprehensive information about the event. Please review it for all the essential details. Detailed programme for the tournament will be shared soon.

We are truly looking forward to welcoming you to Victoria Golf Resort what promises to be an even more spectacular Maldives Open.

Should you require any further information or assistance, please do not hesitate to contact us

Yours Sincerely

Ahmed Nazeer

Vice President, Maldives Golf Association
